The goal of the Builder's Club is to help build, expand, and renovate facilities in our district to make a difference in constructing the Kingdom for Christ

Each Builder Club member is asked to commit to respond to calls for contributions, typically two calls each calendar year, approved by the Board of Missions and Church Extension of the Roanoke District. The commitment can be changed or canceled at any time.

Ways Funds Are Used

The Builder's Club is the primary source of funding for all building project grants from the Roanoke District Board of Missions and Church Extension. Those grants include capital repairs, improvements, or expansions that enhance a congregation's effective ministry and mission.

Commitment

Each member will receive a letter to contribute \$50 or more for designated project(s) in the Roanoke District. Checks are remitted to the Builder's club by return mail.

Spreading the word...

Help us spread the word of the ministry of the Builder's Club. Members of the Builder's Club are available to speak to your congregation, small group, or Sunday School class about how membership in the Builder's Club can be a blessing to you.
