

# VOLUNTEER

Soon The **Roanoke District** will welcome over 3,000 people to the Berglund Center to conduct meetings, worship together, sing, share meals, and fellowship. To make all of this a success relies on the hands of many volunteers.

We ask you to help us spread the word that many are needed. In your small groups, during worship or whenever you have the opportunity, please let your church's congregation know that we need them to serve as a volunteer.
